~Stephanie Bartlett Bio:

I was born and raised in Rocky Mount, NC. Being raised in a Christian family; as I grew older, the Christian beliefs of my family were not working for me any longer. I first heard about Wicca when I was in the ninth grade. I was unable to do much studying or research until after I graduated high school. At that time, I began some mild studies and struggled for a while between the two religious paths.

In 2005 I married a wonderful man and we are blessed with a son and a daughter. I am also blessed to have two step children as well. My family is very important to me and they have supported me all through my struggles to find myself and my path

I finally decided to follow my own path, in 2009. I joined Witch School and began diving into my studies. I have learned so much through all the classes at Witch School and made some amazing friends along the way. I was finally able to find myself and accept myself for who I truly am. I am still quite active with Witch School and continue my personal studies there. I am also happily involved with an Eclectic Temple that is based out of Crossville, TN. I absolutely love to meet new people and love to teach and study with others. I look forward to getting to know everyone!

I would like to start a series of Wiccan classes at Truly Unique starting in the spring. If you are interested, let Kay know at the shop.

Wednesday December 21st: Lighting of the Yule Log: Learn the history and how to make one. 7 PM

Saturday December 17th: Hoodoo Class #2: The second in a series of classes to instruct you about the spirituality of hoodoo. 2 PM \$10.00

Saturday December 24th: New Moon Blessing for acceptance of all faiths and humans around the world. 3 PM

Friday: December 30th: Game and Movie Night: 6 PM free
