Maggie Moon Tarot: I am an Endorsed Reader for The Tarot Guild, and a Charter Member of the Gaian Tarot Circle. I am an intuitive Tarot reader and have been reading since the late 1980s. I read for clients online, by phone, email, and in person. I have always found Tarot to be a rich and empowering tool. The art, archetypes, and people you meet in the deck can sometimes be chatty, whisper into our ear, make us laugh, or hold up big signs saying "Pay attention to me." But in the end, it's always about our free will and empowerment. <http://www.maggiemoontarot.com>
